

Correction

In the paper, "VSAM data set design parameters," by D. G. Keehn and J. O. Lacy, Volume 13, Number 3, page 186, the last sentence of the first paragraph is incorrect due to an editorial error. VSAM was developed for use with IBM virtual storage operating systems, specifically DOS/VS, OS/VS1, and OS/VS2. This access method is not provided by nonvirtual IBM operating systems.

Errata

The paper "VSAM data set design parameters" by D. G. Keehn and J. O. Lacy in Volume 13, Number 3 (1974), has the following corrections:

On page 197, the expression in the middle of the page should read, ". . . exceeds the number of free *CINVS* . . ."

On page 199, the second line of the second expression should read, " $\div$ (length of other blocks))."

On page 200, Equation 12 should read:

$$\left(\begin{array}{l} \text{Average number} \\ \text{of } CAS \text{ per} \\ \text{loading time } CA \end{array} \right) \leftarrow 1 + PCAS$$

On page 204, in Equation 20, the bracket should be replaced with a ceiling, i.e., $\lceil$.

On page 205, Equation 22 should read, " $SCHB \leftarrow . . .$ "
