

**9380E
S/SM**

MASTERFUL

Vertically split, clamshell HDA. 16 ms access time. ESDI, SCSI, or SCSI Macintosh interface. High capacity, high performance.

- Balanced rotary voice coil actuator
- 15 mini-mono composite heads
- In-hub spindle motor

9380E/S/SM Specifications

9380S/SM	12.0 Mbits per second
Data Encoding	2,7 RLL
Cylinders	1,224
Recording heads	15
Track Density (tpi)	1,100
Power Dissipation	18.0W typical
Dimensions (H x W x D)	3.25" x 5.75" x 8.00" (82.6 mm x 146 mm x 203 mm)
Weight	6.0 lbs. (2.72 kg)
MTBF	50,000 hours
MTTR	30 minutes

9780E

POWER

Over half a Gigabyte of formatted storage capacity. Rapid access and high data transfer. Incredibly durable design. The ultimate 5¼" full-height.

- 50,000 hour MTBF
- Clamshell HDA
- 17 ms access time

Solutions for Data Storage

1861 Lefthand Circle

Longmont, Colorado

80501-6798

(303) 651-6000

ESTABLISHED in 1980, MiniScribe Corporation develops, manufactures, and markets Winchester disk drives.

Unsurpassed quality, superior design and proven performance characterize each member of the MiniScribe family.

Storage capacities range from 20 to 780 megabytes. Interfaces include AT, XT, SCSI, ESDI, and ST506/412 for easy integration into IBM PC, XT, AT, PS/2, and compatible systems, Apple, and Apple Macintosh computers.

Three form factors are available: 3½" half-height, 5¼" half-height, and 5¼" full-height.

Working in partnership with the leaders in computer system architecture, MiniScribe meets the highest standards of the most discerning customers and demanding applications.

Throughout the world, MiniScribe provides solutions for data storage.

DEDICATION,
innovation and
pride in
workmanship
contribute to our
industry's highest
Quality standards.

Advanced robotics at MiniScribe manufacturing sites in the United States, Hong Kong, and Singapore enable simpler, more reliable and economical drive design and production.

DIRECT sales teams, manufacturers' representatives, and independent distributors form MiniScribe's international marketing network.

Well-stocked warehouses and expert staffing meet product demand, ready to expedite the next shipment - Across the country, or around the world.

3053

EFFICIENCY

Economical, fast and quiet. Operating noise levels measure less than 40 dB.

- Rotary voice coil, dedicated servo system
- Four-point shock mount
- Auto park on power-down
