Dear Intel Customer:

Intel is announcing the discontinuance of the Intel® Server Board SE7221BA1-E. You have two (2) months to place final orders for the discontinued products, and four (4) months to take final delivery.

This notification affects the product codes included below:

Server Boards

- SE7221BA1 (base board, single pack)
- BBABB (base board, 10-pack)

Server Board Accessories

- ABAIO (I/O shield)

1. This product discontinuance notification is effective **December 30, 2005**.
2. Final purchase orders for the affected products must be placed by **February 28, 2006**.
3. The final quantity to be shipped must specify a customer request date (CRD) no later than **June 30, 2006**.

Final purchase orders are ***non-cancelable and non-returnable***, notwithstanding any conflicting terms in our quotes, purchase order acknowledgment or Distributor agreements.

Intel recommends the Intel Server Board SE7230NH1-E or the Intel Server Platform SR1475NH1-E as suitable replacement products. Please contact your local Intel Sales Office or distributor if you require more information or need assistance in selecting a replacement product. Details regarding these products are also available at <http://www.intel.com/go/serverbuilder>.

Sincerely,

Intel Enterprise Platforms and Services Marketing
